

Update – February 22, 2021

1. **Inventory Reduction Sale on now** – the web site now only lists items available. Understand it is first come first serve and is not “real time”. Place your orders, we will process on a first come basis while supplies last. Prepare for next school year at amazing discounted prices. Maybe the last chance for some resources going out of print. **Ends March 19th**, Grant funds can still be used if applicable.
2. Diplomas – Continue to place requests/orders as always until June 25, 2021. Watch for new processes for next school year.
3. School Bus Inspection Log Books – Consider stocking up for next year to ensure a supply for the fall.
4. Cumulative File Folders, School Attendance Registers – available only while supplies last and will be discontinued.
5. Questions – email inquiry@manitobalrc.ca – we appreciate your patience, we will answer all emails in order received.
6. Online Consortium program (Learning A-Z and Mathletics)– Ensure purchase requests are made by March 12, 2021 to inquiry@manitobalrc.ca – more information on renewal processes for next school year will follow.
